- You will be prompted to answer a series of three authentication questions and select a "confidence word". This is a word or phrase that will show on your log-in screen to let you know that you have come to the authentic site for Mid-Illini Credit Union's Online Banking. Please note that answers to your authentication questions are case sensitive and you may not answer all of your questions with the same answer.

Remember me on this computer: This should be selected on the primary computer the member will be accessing HB with. If you log-in from another computer, the system will prompt you to answer one of your chosen Authentication Questions to verify your identity. Select "save" when complete.

Enrollment

You must now select your authentication questions and confidence word. Each of the three drop-down menus contains eight questions and you must select and answer one from each menu. Please note that answers to each of these questions cannot be the same and are case sensitive. Then you must select a confidence word. These extra validations will ensure you have connected to the authorized home banking site.
